

The REFUGE MISSION *Foundation*

The Refuge Mission Foundation was founded on the universal laws of love and caring for the less fortunate in our midst. As a Christian organization firmly rooted in Biblical truths, our mandate to the community is to assist those in dire need within our community. These include the homeless, destitute, the mentally ill, and those trapped in the cycle of addictions.

The Foundation operates the **Mission House Drop In Centre** at 10548-96 Street. The Drop In Centre is open every evening from 5:30 p.m. until 9 p.m. It's licensed by Alberta Health Services with a Level 1 Food Permit, so people can prepare themselves snacks and have coffee or other beverages.

The Mission House is run by Christian Workers and Volunteers. There is no paid staff or government funding. Our biggest need is for money to operate effectively. We also have a need for more volunteers. If you think you might be interested in partnering with The Refuge Mission Foundation and help with the work being done at the Mission House feel free to drop in any evening between 5:30 p.m. and 9 p.m. at 10548-96 Street (Enter from the Alley) or simply fill out the form below.
