

The REFUGE
MISSION
Foundation

The Refuge Mission Foundation was founded on the universal laws of love and caring for the less fortunate in our midst. As a Christian organization firmly rooted in Biblical truths, our mandate to the community is to assist those in dire need within our community. These include the homeless, destitute, the mentally ill, and those trapped in the cycle of addictions.

October 25, 2020: Covid-19 Update

The Foundation operates the **Mission Hall Drop In Centre** at 10542-96 Street. Currently, the Drop In Centre is open every evening from 5:30pm until 8:00pm in compliance with Alberta Health Services restrictions. We are currently serving sandwiches and drinks, as these restrictions ease we will be able to offer more services and open the Mission Hall to have more people inside.

The **Mission Hall** is run by Christian Workers and Volunteers. There is no paid staff or government funding. We require financial assistance to operate the Mission House and Mission Hall effectively. We also have a need for more volunteers. If you think you might be interested in partnering with The Refuge Mission Foundation and help with the work being done feel free to drop in any evening between 5:30pm until 8:00pm at 10542-96 Street (Enter from the Alley) or simply fill out the form below.
